

## Would your organisation benefit from tailor-made Care Training to suit your needs?

Optua is a disability charity which has been providing services for disabled people in Suffolk for over 25 years. We can provide care-related training courses covering the following:

- Skills for Care
- Common Induction Standards
- Assessment of Learning Outcomes
- Moving and Handling
- Assisting Wheelchair Users
- Dementia Care
- Protection of Vulnerable Adults
- Medication
- Infection control
- The Mental Capacity Act 2005

...and much more - including refresher training - can be provided, and designed to meet the specific needs of your service or organisation.

## **Our prices for delivering training courses:**

- £440 per half-day for up to eight people
- £50 per half-day per additional person.

If you have less than eight people there is an option to pay the half day rate of £440 or we may be able to accommodate one or two members of staff on an existing course at a charge of £40 per half-day.

Courses can be tailor made to suit the requirements of your organisation and staff.

Everyone who completes a course is provided with an official certificate.
